

# Need Short-Term Assistance Feeding your Pet?

## We can help!

Visit our Pet Allies Pet Food Pantry.  
Pantry is open each Wednesday  
from 11AM to 1PM at our future  
Shelter location at  
1321 N 16th in Show Low.

Supply is limited to the amount of donations received.

**Volunteer:** The Pantry welcomes volunteering in exchange for food although it is not a requirement. We encourage our friends to donate and/or host a pet food drive and drop off pet food at our Shelter.

### The Rules

*Pet Allies' Pet Food Pantry offers temporary/emergency pet food assistance; this service is not intended to supply food permanently or on a regular basis.*

**Financial Qualifications:** To qualify for this program those seeking pet food need to be approved in person, complete a short application and provide proof of low income (see qualifiers below) prior to receiving pet food. Pet Allies reserves the right to deny food to anyone or to make exceptions based on individual need at any time.

- Provide proof of any of the following: Arizona Quest Card, AHCCCS, WIC, HUD Section 8 Housing Assistance, SSI/SSD, Medicare, Senior 65+, NACOG-Head Start Program or Food Plus Program.

**Spay/Neuter:** Applicant's animals must be spayed or neutered or must agree to schedule the surgery within 45 days of receiving food for the first time from Pet Allies Food Pantry. Pet Allies can assist with spay or neuter through our clinic. Contact RJ at [rjowens@petalliesaz.org](mailto:rjowens@petalliesaz.org)

**Frequency of Requests:** Requests may be limited to once per month as resources are available.

**Cat Colonies:** Our main focus is helping families in need hang onto their pets by providing free pet food. Please contact us if you have a colony and we will try to help. Email [rjowens@petalliesaz.org](mailto:rjowens@petalliesaz.org).

**Individual/Family Pets:** This program is for individual pet owners. We are unable to provide assistance to independent rescuers. If you have rescued more animals than you are able to feed, we can provide you with information and recommend that you work with a 501c3 Rescue.

**No Breeders:** We do not provide pet food assistance to breeders (of any kind). If you have puppies that you are planning on selling, you are strictly prohibited from pet food assistance. We strongly recommend that all pets be spayed/neutered and would be happy to assist with costs if needed.
