

Pet Allies Shelter Update

August is the number one most critical and difficult month of the year for shelters nationwide, reaching peak capacity – and sometimes more. Pet Allies strives to maintain a humane capacity for care at all times so that we can continue to “do right” by each and every dog and cat that we shelter. Adoptions not only help each individual animal, but also our ability to achieve best practice in everything that we do for them.

Only you can prevent future homeless dogs and cats by spaying and neutering your pets. The ideal age is between 3 and 6 months, and ideally before a female dog or cat's first heat. The number one reason to spay and neuter early is to prevent reproductive cancers.

Your donations to the Pet Allies Surgery and Medication Fund enable us to continue to offer affordable spay/neuter and spay/neuter assistance to pet owners in need in our White Mountain community.

Letter from our Editor

Our Show Low animal control partner recently brought us a 12 year old cat whose owners were incapacitated and no longer able to care for themselves and sadly, had been unable to care for 'Honey' for a very long time. As a result, she developed the “mats of all mats” on her back, as she was unable to groom herself. She is now “mat free” – and pain free – thanks to our Clinic team!

Before

After

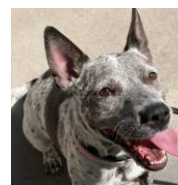

We always hope to remain in good health and care for and outlive our pets during their lifetime. Having a plan in place for them is one of the kindest things we can do. Your financial advisor can help you prepare a care plan – just in case.

Featured Shelter Pets

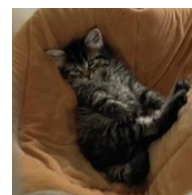

Dogs

Madam

Madam is a 3 year old Blue Heeler mix who is gentle, adventurous and smart. Sometime in puppy-hood her foot was broken and never treated, so it never healed properly. It hasn't held her back though - her handicap has made her handi-capable, and it doesn't hamper her one bit!

Cats

This little cutie is 5-month-old June! Her story began sadly too. June and her siblings were seen being thrown from a car. Animal Control responded but were only able to find June. Thankfully, nothing was broken and there were no injuries. All we want for June is to have a forever home where she will always be safe and loved!

Pet Allies Clinic Update

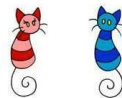

Pet Allies Spay/Neuter Clinic is happy to welcome Round Valley Animal Shelter as our newest Spay/Neuter Partner! It takes a 'mountain' of communities to help prevent future homeless pets!

Only you can prevent future homeless dogs and cats – please spay and neuter your pets!

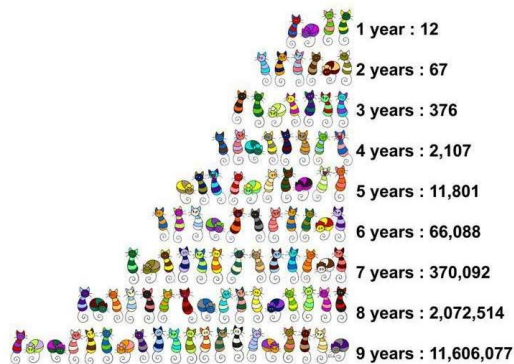

Become a Pet Allies Clinic Sponsor! As a clinic sponsor, you can help us support those dedicated TNR (Trap Neuter Return) fellow citizens as they continue to ensure that feral and community cats can live out their lives without producing more homeless kittens and cats. Arizona State Statute states that feral and community cats are considered free roaming animals and as such are allowed by law to 'free-roam'. TNR is the solution.

The more feral and community cats that we can spay and neuter, the fewer kittens will be born on the streets to suffer.

Stopping the continuous cycle is really important to us and so many in our community, and it humanely reduces the numbers over time.

An unspayed female cat, her mate, and all of their offspring producing 2 litters per year, with 2.8 surviving kittens per litter can total :

If you would like more information about TNR (Trap, Neuter, Return) and how you can help, please email pat@petalliesaz.org

In the Community

We would very much like to thank the Bison Lady Niners for their generous donation of pet supplies for our shelter animals along with a \$725 donation.

We can't thank them enough for all their efforts on behalf of Pet Allies! You've scored a 'hole in one' in our book!

Thank you!

More In the Community

Thank you to all of our wonderful Kuranda bed donors!

We received a record-breaking 7 Kuranda beds so that our shelter dogs can chill out and rest comfortably, and the Kuranda Cat Tower we received is perfect for our feline playroom!

More Important News

We couldn't do it without our Donors!

Pet Allies held a very special "unfundraising" event this summer, and we are so grateful to our "Paws-itive Partners," Driggs Title, Demer's Glass, Hon-Dah Resort Casino, Joy's Furniture, the Law Office of Brendon R. Rogers and realtor Nicole Van Den Bosch for making it such a huge success!

This month's Paws-itive Partner Spotlight

Driggs Title Agency Show Low – All Heart All the Time

Driggs Title Agency knows that the real estate process can be overwhelming – they're more than just a title company, they're a guide to a successful real estate experience. Their support of Pet Allies enables us to continue to guide potential adopters to a successful adoption!

Driggs Title represents "Innovation Inside and Outside the Box," and as a "Paws-itive Partner, their steadfast support of Pet Allies allows us to modernize the "tried and true" and think outside the box in the care of our shelter animals, and go above and beyond.

Every successful journey deserves a celebration, whether it is buying a new home or adopting a new pet! Thank You Driggs Title, for your unwavering support of Pet Allies.
